Online Athletic Clearance FAQ

Multiple Sports

You will need to complete the online athletic clearance for every sport. Once you complete a clearance for one sport, most of the information you have entered will be retained in the system. To register for an additional sport, select New Clearance after entering the year, school and sport and most of your information will auto fill. **NOTE:** If you have already been cleared for a sport in the current school year, **NO NEED TO RE-SUBMIT FORMS** *unless your physical has expired or your insurance has changed.*

Physicals

The physical form can be downloaded from the online clearance website, or on the CCA Athletics’ website. Please turn this completed form in with front & back copies of the insurance card to the athletic secretary.
