### REMINDERS FOR SENIORS

Use the many college application resources provided by the Counseling Dept., including the [College App. Guide by Type](#), [College App FAQs](#), [Four-year College Checklist](#), and [Creating and Finalizing Your College List](#) to make sure that you are completing all the necessary steps and entering the correct information for CCA and our courses and schedule.

#### Important:

- Send official SAT/ACT scores to all colleges that require them. Some colleges allow you to self-report your ACT/SAT scores, and send official scores only after you have been admitted and intend to matriculate. **Verify the policy for each of your schools.**
- Pay careful attention to all emails and instructions from each college. They may request additional materials or note that they have not received required items.
- Teachers and counselors are *not* notified of any changes to your Naviance or Common App college lists. If you need to make changes, you must see your teacher(s)/counselor in person to follow-up.

- **If you need to make a correction to a submitted UC application:**

You are encouraged to review AFTER YOU APPLY information at the following site:

<http://admission.universityofcalifornia.edu/how-to-apply/after-you-apply/>

Include your individual CSU campus Student ID# (if available-- for SDSU your Student ID# is your Red ID#), full name, date of birth and indicate that you are a first time freshmen for the Fall 2018 semester. List additional information/correction(s) you want to make to the application. Be very clear and specific in your updates. **\*NOTE: If you submit a change after the deadline, SDSU and Cal Poly SLO cannot guarantee that they will use the updates for your admission. If you need to contact CCA's SDSU or Cal Poly SLO representative, you may obtain her/his email from Ms. Burton or your counselor.**

- If updating your academic record, please include the school name, department and title, semester the course was taken or being taken, and the grade earned or "in progress/planned." If updating SAT/ACT exam results, be sure to list the entire test scores and include the date on which you took the exam (month and year).

- If you are applying for financial aid, make note of the financial aid deadlines for each of your schools, and which forms each require.
