

# CCA Career & Technical Education

## Recommended Course Sequence

	Information & Communication Technology Pathways		Engineering and Architecture Pathways	
Grade Level	Software & Systems Development Career Pathway	Games & Simulation Career Pathway	Engineering Design Career Pathway	Engineering Technology Career Pathway
9	Exploring Computer Science	Exploring Computer Science or Computer Game Design	Principles of Engineering	Principles of Engineering
10	Exploring Computer Science or AP Computer Science Principles	Exploring Computer Science or Computer Game Design	Principles of Engineering or Digital Electronics	Principles of Engineering or Robotics and Engineering Technology
11	AP Computer Science Principles or AP Computer Science A	Computer Game Design	Digital Electronics	Robotics and Engineering Technology
12	AP Computer Science Principles or AP Computer Science A	Computer Game Design	Digital Electronics	Robotics and Engineering Technology
