Course Description

A course designed to allow students 16 years old and older to develop skills and knowledge about various careers and occupations through non-paid internships with local community partnerships in conjunction with classroom instruction. This course includes a minimum of 40 hours per quarter of on-site experience and minimum of 9 hours of in class instruction to earn 5 credits. Requirements include weekly assignments/research, topics include employment preparation, job success, economic awareness and career awareness. Internship students must meet in class once a week on Wednesdays during their scheduled period.

Grading

Based on attendance and successful completion of weekly assignments.
