<input checked="" type="checkbox"/> Difficult		
<input type="checkbox"/> Very Difficult		<u>Department</u> Acting 1

Course Description

This course is designed to give students a better appreciation and understanding of the American art form of musical theater. Areas of study include the history of music theater, important composers, lyricists, and directors, audition techniques, songs as monologues, blocking and choreography for musical numbers, musical theater theory, the realities of producing on Broadway, and other areas based on student interest. All students will be expected to participate heavily in the singing and dancing portion of the class.
