- Students in 10-12 grade who still need PE credits can enroll in Athletic PE, but must submit the required forms to athletics during season in order to earn credit
- Students are selecting classes, not terms or teachers! If a class is already in your schedule, we cannot make changes to move terms or periods
- Schedule changes cannot be made to accommodate extracurriculars - if you cannot have a class during a particular period, request an unscheduled period

**\*\*\*No elective changes will be made after the start of the year\*\*\***
