

Back to School Night Dates 2017/2018
Tuesday September 5th and Tuesday February 6th

Back-to-School Night is an evening designed for you to get to know what is going on at CCA, to meet your child's new teachers, and to learn about shared expectations for course work. This is an excellent opportunity for us all to discuss ways in which we can work together to support your child in making the most of his/her high school experience.
