

## Welcome Back from the CCA Counseling Department!

In addition to the Counseling website, Daily Bulletin, biweekly Counseling, College & Career Center Newsletter and presentations, we use the **Naviance** program to facilitate communication between the Counseling Department, students, parents & guardians.

Naviance is an efficient tool to deliver important information to all Ravens and also allows students to manage the career and college search process; to keep track of extracurricular activities and build a résumé; track and sign up for college rep. visits, and to research scholarships and enrichment programs.

In the 2017-2018 school year, a lot of Counseling information will be provided exclusively through Naviance. Although general content will be available via the Counseling website, students and parents will need a Naviance account to take full advantage of enhanced communication and materials.

### **HOW DO I SIGN UP?**

If you are already a CCA student (one who attended CCA for 2016-2017), you should already have an account. If you never signed up for an account, review the tutorial on our website, [cc.sduhsd.net](http://cc.sduhsd.net), via the Counseling link – **your student ID is your registration code.**

If you are a NEW CCA student (one who will be attending for the 1st time in 2017-2018), you will not be able to log in until after the start of school. **Once your account is created, you will be able to log in using your student ID number to register.**

We need 100% participation for Naviance to be an optimal communication tool. In order to avoid missing crucial information and opportunities, we encourage you to please make sure that both student and parent access Naviance by the second week of school.

If you need assistance, please contact Darlene Burton, the College & Career Center Coordinator, after school begins. You can reach her during lunch or after school in the College & Career Center, which is located in the Student Services Counseling building.

Thank you and we look forward to another great year at CCA!
