

Senior portraits for the class of 2018 will begin as soon as school is over. Senior portraits need to be completed during the summer BEFORE your senior year to ensure yearbook deadlines can be met. This year, official senior portraits for CCA are being photographed by Keane Studios, a local portrait studio based in Carmel Valley just across the street from CCA. All session types are available at the studio throughout the summer. Keane Studios will also be on campus on several dates for the Take Ten and Take One sessions. Dates starting June 12 are listed in the brochure.

Senior portraits MUST be reserved in advance, as this appointment is reserved just for you.
