- After the second week, a student who drops a class will receive a withdraw/no credit on the student transcript.
- No class may be dropped within 15 days of the final marking period, nor may any class be added for transfer units within 15 days of the final marking period.

Instructions for requesting to change a course:

1. If you are not 18 years old, discuss with parent/guardian and get a signature indicating permission for the requested change.
2. Return this completed form to the Counseling Office. Your counselor will review the request to assure that it will not jeopardize graduation and that the requested change is possible. You will be required to make up missed work if you add a class. If the request is approved, it will be signed by the counselor for you to pick up. Please return to Counseling for follow up.
