### **Course Description**

ASB, also known as Leadership, is a place for students to make a difference in school. ASB stands for Associated Student Body, which is a group of highly motivated students who want to help run their school. At Canyon Crest Academy, members of the ASB class make many critical decisions involved in creating the culture of this school. The ASB class has the responsibility of setting the standards and values they desire at their school. It is an exciting, yet challenging experience to create, organize, and guide a school that will be around for many decades to come.

In order to further organize the duty of making decisions and accomplishing tasks at Canyon Crest, the ASB class has formed individual committees. Each committee is in charge of jobs or activities such as Dances, Lunchtime Activities, Fundraising, spirit, and the ASB Website. These committees work jointly to successfully complete tasks that are the responsibility of the entire school ASB.
