Join us as we support sustainability in San Diego! We're making improvements to two recreation destinations and volunteers are needed to help remove invasive species, spread mulch, add trees and plants, and assist with other maintenance projects. Projects are planned for people of all ages and abilities.

This is a statewide initiative with local impact; we encourage you to take action to protect the climate while bringing positive changes to parks you can visit for years to come.

Following the service event will be **FREE LUNCH**, an environmental resource fair and giveaways!

Advance registration is required. Sign up

For more information, contact: parksvolunteer@sdcounty.ca.gov or 858-966-1335.

Check with your club to see if you're meeting during finals!
