projectors are being upgraded in two phases to short-throw like we currently have in the B building.

## **ASB Report**

Given by Melody Li. Spirit week and pep rally were successful. Road trip themed Spirit Week, Prom Theme was Bloom at the Carlsbad flower fields. Venue was a hit, DJ was split. CCA Unite was a student run event that was successful. Friday was also Rupert Awards for athletics. ASB is leading lots of wind-down events including club connect four, clash of spring sports, spring into summer, doughnut day, senior sunset, cap and gown distribution, senior week: grill & chill, Disneyland, trampoline park, grad rehearsal and graduation!

## **Parent Report**

Given by Mark Choudhari  
Prop AA tours of gardens at Earl Warren and the recently completed Performing Arts Center. There was a conversation about budgeting and budget deficits. There is a plan to replace content management remind with SignalKit. Suspension numbers have been going down, but there is a discussion about vaping and how suspension data is trending. Brett Killeen shared that the healthy kids survey results will show vaping/nicotine products with CCA showing 14%

## **New Business**

SSC team suggestions for goals and actions and tasks to be added to the SPSA were shared with department chairs and students groups to get input. Actions and tasks that the SSC suggested were developed by Brett Killeen and Lisha Brunache with input from department chairs to determine funding and who is responsible for implementation, assessment plan, and implementation timeline. Lisha Brunache led a review of these updated. Brett Killeen discussed the funding, including ELAC and the importance of the CCA Foundation. Lisha and Brett thanked the SSC for the work done to improve the SPSA.

Uday Delouri motioned to approve the SPSA  
Mark Choudhari seconded.  
Motion carried unanimously.

## **Public Comment**

No public comment offered.

Uday Motioned to adjourn.
