

SDUHSD Grade Reporting Schedule 2020-2021

As per Board Policy (5121/AR1), grades are to be reported as follows:

Semester (permanent) grades shall be reported to parents/guardians as soon as possible after the close of each semester. Semester grades shall be posted on students' permanent record. Progress reports shall be issued each quarter during the school year. Additionally, in accordance with Section 49067 of the California Education code, teachers must provide a written report or hold a conference with the parent/guardian of each student who is in danger of failing a course. Such deficiency notices must be made to a parent/guardian long enough before the end of the grading period so that the student could have adequate time to achieve a passing grade in the course.
